AMS Green Meeting Sponsorship \$1000

Help AMS “Go Green” and minimize the environmental impact of in-person meetings. These efforts include reducing travel emissions, prioritizing energy efficiency at venues, and reducing resource consumption and waste on site. You can be a part of this effort in Burlington and help AMS set the standard for green conferences! Contact AMS for further details and the unique benefits of supporting the [AMS Green Meetings Initiative](#) and gain the goodwill and recognition of attendees for taking the lead to reduce the carbon footprint of the meeting.

NETWORKING SPONSORSHIP OPPORTUNITIES

One of the most important goals of the week will be the networking of the Oceanic Fluid Dynamics & Middle Atmosphere communities. Sponsors will be a part of helping attendees share similar research interests and expertise, improve collaboration, and support a sense of community within the scientific field.
