- Linked logo on the AMS 31 SLS conference web page
- Chair to recognize sponsors during opening remarks
- Sponsor recognition on AMS social media channels
- One 50% registration discount for 31 SLS

AMS Green Meeting Sponsorship \$1000

Help AMS “Go Green” and minimize the environmental impact of in-person meetings. These efforts include reducing travel emissions, prioritizing energy efficiency at venues, and reducing resource consumption and waste on site. You can be a part of this effort in Virginia Beach and help AMS set the standard for green conferences! Contact AMS for further details and the unique benefits of supporting the AMS Green Meetings Initiative and gain the goodwill and recognition of attendees for taking the lead to reduce the carbon footprint of the meeting.

AMS GREEN MEETINGS

Evening Sponsorship Opportunities

The night time is the right time to sponsor! Some of the largest events of the week will take place after dark. Featuring a special evening conference session and networking receptions, sponsors will join attendees for food and refreshments while enjoying the company of a diverse community presenting, attending, and speaking in Virginia Beach.

Monday Icebreaker Reception \$5000

- Included on general sponsor recognition signage at 31 SLS
- Signage recognition at event
- Logo placement on PPT slides between sessions
- Linked logo on the AMS 31 SLS conference web page
- Chair to recognize sponsors during opening remarks
- Sponsor recognition on AMS social media channels
- One complimentary 31 SLS registration

Tuesday Evening Session \$5000

- Included on general sponsor recognition signage at 31 SLS
- Signage recognition at event
- Logo placement on PPT slides between sessions
- Linked logo on the AMS 31 SLS conference web page
- Chair to recognize sponsors during opening remarks
- Sponsor recognition on AMS social media channels
- One complimentary 31SLS registration

Severe Local Storms Student Mixer

Taking place just before the conference icebreaker reception, the event will provide student attendees with a platform to network, learn, and connect with each other, share experiences, and build relationships. Your support will help students to establish connections within their field, which can lead to internship opportunities, research collaborations, and future career prospects.

Flexible contributions are accepted to sponsor this event.
