

The Dickerson Virtual Endowment Scholarship in Meteorology is funded by Drs. Marvin H. and Mary V. Dickerson. After receiving their PhDs from The Florida State University, they moved to the San Francisco Bay area where Marv worked at the Lawrence Livermore National Laboratory and Mary V. was a professor of Speech Pathology at San Jose State University. They both have a strong interest in working with and helping students through their education and starting their professional careers. The endowed undergraduate scholarship, in the amount of \$7,500, is awarded annually.
