The Edgar J. Saltsman Scholarship honors the late Ed Saltsman, a longtime AMS member. After graduating from high school, Mr. Saltsman continued his education at Cleveland College and Indiana University where he majored in math. Following school he enlisted in the United States Air Force and served as a climatologist and meteorologist. He earned the rank of Major before retiring from service. After serving in the Air Force he worked with the U.S. Weather Bureau (now known as NOAA's National Weather Service) in both Washington, DC and in New Orleans.
